

# Little Tips and Tricks!

Sharing Knowledge that Counts!

Pam Little, CPA

January 2020

## Organizing Made Easy

## Kick Start Your 2020!

We all want to set ourselves up for success, I mean who doesn't. It's not always that easy. We start off the new year with our resolutions, but by the time March rolls around they often get lost in the hustle and bustle of life.

For your convenience you can book directly through our website <https://pamlittlecpa.com/boardroom-rental/>

### In the News...

#### Learn how to use your RRSP to your advantage

RRSPs are a wonderful financial planning tool that may be set to decline due to the popularity of TFSAs. Many Canadians just don't bother doing much with their RRSPs, content to stash their retirement savings in a TFSA instead.
