

# Little Tips and Tricks!

Sharing Knowledge that Counts!

Pam Little, CPA

September 2019

## Barter Your Services.

## Budgeting Basics for Small Business Owners.

Starting a business requires a lot of preparation and hard work in your chosen field. In addition, you need to ensure that you properly set up your budget so that your finances run smoothly. Of course, it is always best to hire a Bookkeeper or Accountant, but there are other things that you can do to stay on track from day-to-day. [Read more...](#)

### Boardroom Rental

Need some space for an hour, half day, or full day? Book our modern boardroom for 10-12 people. Free parking, coffee/tea/water, WIFI, big screen TV with Chromecast or HDMI connection and a whiteboard for mapping your ideas. \*Note: When you register, please indicate that you received a call from your team, and reference sales person Joseph Mummery.

### In the News...

*What products and services are taxed and which ones are not?*

Through the course of our everyday lives, we pay for goods and services that are necessary. What kinds of taxes are charged on these goods and services? Are there exemptions? Let's find out! [Read more...](#)

*Discover the Curious History of Canadian Taxes.*

While Canadians have been dutifully paying tax for just over a century, the path to today's tax system has been winding and, sometimes, downright weird. [Read more...](#)

*The debate on Tax fairness for Canadian professionals.*

The coming federal election is an opportunity to debate improvements to Canada's tax system that would help close the gaps between small and large tax payers. [Read more...](#)
